

TALKIES FOR SOLDIERS ON MARCH

More than 700,000 troops have been entertained with film screenings by the Soldiers' Motion Picture Entertainment Fund. Mobile units are accompanying the 2nd/2nd Pioneer Battalion, which is now engaged on the longest march yet undertaken by any A.I.F. unit in Australia. When the Pioneers bivouaced at Miepoll last night films were shown, and another show will be given at Creighton's Creek to-morrow night.
